Hi-

I just received your summons for the [REDACTED] trial scheduled for Sept. 29th, 2010 and wanted to inform you that I may have a date conflict as I also have a trial scheduled in Chicopee that day (as well as another one in Springfield). I have left a message for the ADA in Chicopee and am waiting for a response to see what the status of that case is.

Also, I do not see the drug lab number(s) listed on the summons for the case. Would you please provide me with the number(s) so I can review my notes and data before trial? Thank you.
